Papakowhai Road, PORIRUA

Each year there is a Christmas party for the elderly who reside in the Porirua city and suburbs. This is organised by the Porirua Licensing Trust, with almost every voluntary group helping in some manner.

Titahi Bay Lions assist by uplifting those residents who have no transport of the venue, Porirua Police College, the staff of which prepare the food.

After escorting the guests to the venue, and when all is ready, we also assist the serving of the meals and clearing the tables after the guests have eaten.

This is followed by ensuring all are taken home again after.

Guest speakers being the Mayor of Porirua, Her Worship, the Mayor, Jenny Brash, special Lions Clubs officials and community dignitaries.

Thanks to all those that keep making this event possible.
