

Christmas at the Early Morning Market

Saturday, 18 December 2010

Since our Market Director started the idea back in 2004, members from Lions Club of Titahi Bay have celebrated Christmas at the Early Morning Market on the Saturday just before Christmas Day itself.

The celebrations start off by some eager members coming early at midnight and decorating our Lions Caravan.

Stall holders are told the week before to dress up in their Christmas best so they can be in to win 1st, 2nd, or 3rd prize.

Lions don't miss out. The best dressed Lions get a 1st and 2nd prize too.

Stall holders who are regular to the market were given a Christmas present from the Lions club

Lollies and balloons were also handed out over the morning to both stall holders and customers.

Thanks for your support

Merry Christmas and a Happy New Year to all, from Lions Club of Titahi Bay.
