

Lions Community Service Award

This trophy is awarded to the Club that achieves the best community service project.

Lions Club of Titahi Bay received this award for the running of the Porirua Saturday Early Morning Market since 1986. This is a weekly project for the Lions as the market runs every Saturday rain, hail, or shine with the exception of a Saturday falling on a Statutory Holiday.

Lions arrange the clean up and recycle cardboard etc were possible after the market.
