

Titahi Bay Horticultural Club Flower Show 2011

(Friday 02-Sep-2011 to Sunday 04-Sep-2011)

In 2009, Titahi Bay Horticultural Club came to Titahi Bay Lions and asked if the Lions club could help their club with the setting up and packing down of their annual flower show. Their members are finding it hard to carry all the heavy planks and stands, so they need the Lions younger muscles.

The flower show starts on the first Friday of September till the Sunday. Lions are asked to help load up planks and stands, they are taken to Titahi Bay Indoor Bowling Club at Onepoto, Titahi Bay and unloaded. The stands are arranged in order and the planks are placed on the stands. There are some extra bits and pieces that Lions also carry in.

The setup is like a jig-saw puzzle which all fits together if done the right way, but takes a little while to get everything all in the right place. Many hands make light work.

Titahi Bay Lions have this now as an annual activity and are pleased to be helping Titahi Bay Horticultural Club. The Lions motto is 'we serve'.
