# MARKET RELOCATION

from Saturday 02 May 2015

Porirua City Council has advised to Lions that our application for a market operation tender at the Cobham Court space "does not comply with the requirements". With the impending construction work at Cobham Court between May and September, and irrespective of council assurances, Lions Club of Titahi Bay at their last meeting feel it would be in their best interests and for public safety for the Porirua Saturday Market to relocate during this time. We are proud to announce an agreement with the Waitangirua Shopping Mall complex has been made.

The first Market operating day at Waitangirua will be on the 2nd of May 2015. The market will be located at the rear car park and the hours of operation for now will be from 4am to 11am.

We apologize for the inconvenience this causes to the residents who would have to travel further for their Market experience.

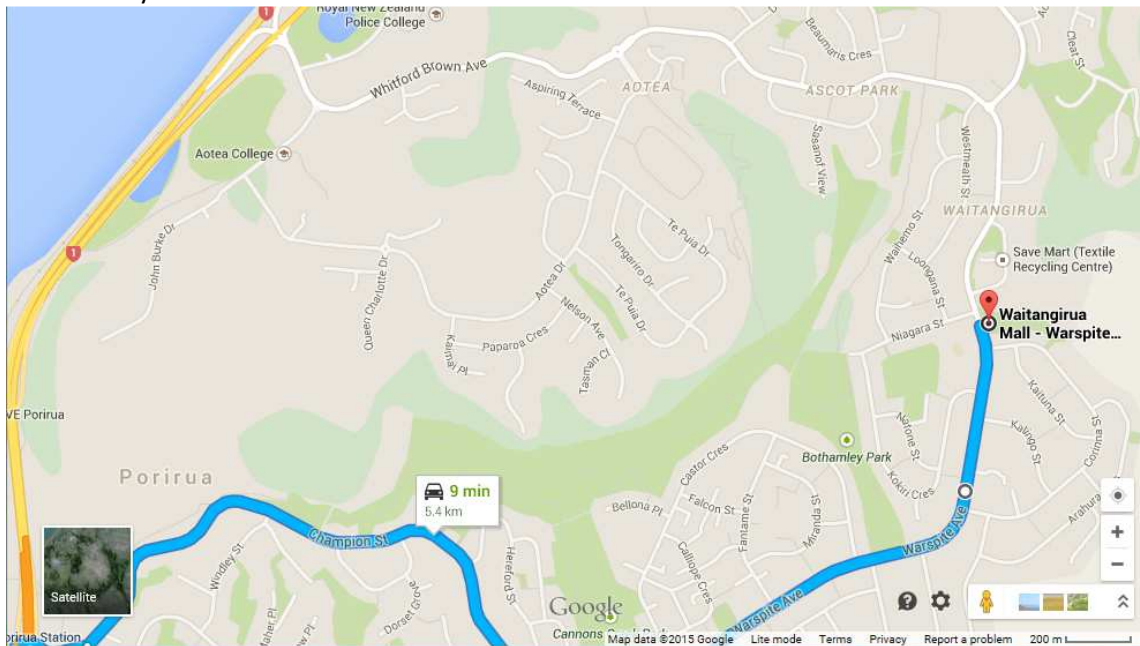

We hope that those who have not been able to support the Market are now able to do so, as it is closer, and we appreciate residents, customers and stall holders who have supported the market and will continue to do so.

The Market has, and always will be for the community.

With our community supporting the Porirua Saturday Market it will continue to flourish.

Warm regards
