In 2009, the Titahi Bay Horticultural Society came to Titahi Bay Lions and asked if the Lions could help them with the setting up and packing down of their annual flower show as their members were finding it hard to carry all the heavy planks and stands, so they need the Lions younger muscles.

Lions help load up planks and stands, they are taken to Paremata School and unloaded. The stands are then arranged in order and the planks are placed on the stands.

There are some extra bits and pieces that Lions also carry in.

The setup is like a jig-saw puzzle which all fits together if done the right way, but takes a little while to get everything all in the right place. Many hands make light work.

Titahi Bay Lions have this now as an annual activity and are pleased to be helping the Titahi Bay Horticultural Society. The Lions motto is 'we serve'.
